

Immersive Learning Policy (ILE) (M.O.L.)

Students enrolled in the MOL Program are required to complete at least 3 hours of Immersive Learning Experience (ILE). The number of required ILE hours is determined by the track that a student chooses to follow. The Organizational Transformational track requires 6 hours of Immersive Learning Experience (ILE). More details about the Immersive Learning Experience and requirements are available through the MOL Program's Student Manual, which is distributed at orientation. A copy can also be accessed through the Program Director.
