

Probation (M.O.L.)

Students who do not maintain a minimum cumulative GPA of 3.0 or better during a semester will be placed on academic probation for the following semester. Students who return their grade point average to the required status by the conclusion of the probationary semester will be returned to academic good standing.

Students admitted into the program on probation must earn a 3.0 cumulative GPA the semester in which they were admitted. They are required to meet with the MOL Program Director a minimum of two times throughout the semester to ensure progress toward expectations. Students earning a minimum of a cumulative GPA of 3.0 by the conclusion of the semester will be considered in academic good standing.

Students who do not meet the expectations of probation are suspended. A student who has been suspended for academic or other reasons may make a written appeal to the Graduate Committee. Students should consult with the Graduate Program Director regarding this appeal process.
