

Attendance (M.O.L.)

Regular and timely attendance and active participation is an expectation of all students in the program. Students are also responsible for independently managing assignments and meeting all deadlines. If a class is missed for any reason, the student will be held accountable for all material covered. Students will also be held accountable for requesting and scheduling meetings with their instructors/faculty advisors when needing support or assistance of any kind.

If a student is unable to attend class, they must email the instructor prior to the scheduled class time to notify the instructor of the reason for the absence. If the pattern continues the student can expect that such behavior will be reflected in their course grade.
