

# Definition of Courses (M.O.L.)

## Hybrid Non-Accelerated or Accelerated Courses

Hybrid Non-Accelerated (16 weeks) or Accelerated (8 weeks) courses are defined as courses where the instructor and students meet face-to-face for at least 50% of the allotted class sessions. The other course sessions/weeks may be online asynchronous or online synchronous. The face-to-face sessions will consist of lectures, presentations, discussions, an overview of assignments that must be completed for the week, etc., as determined by the instructor. Students must pay close attention to the syllabus so they will know when they are scheduled to be in the physical classroom and weeks when they will be scheduled to participate in the class online asynchronously or online synchronously.
