

Transportation to Practicum and Field Experiences (M.S. in A.T.)

Students are expected to assume responsibility for their own transportation, and associated costs, to all clinical assignments. Off-campus clinical experiences may occur at any time during a student's matriculation through the MS in AT Program. Please note that **the *student has the ultimate responsibility to make sure he/she arrives to his/her clinical assignment on time.*** Whenever possible, car-pooling is strongly encouraged and recommended, however students cannot use this as an excuse for being late or unable to attend a clinical site should something happened to the individual or vehicle availability for carpooling.
