

Program Progression (M.S. in A.T.)

All graduate program coursework must be completed with a grade of "C" or higher before the student may graduate. Students who do not pass a course may be delayed in their progress towards degree due to pre-requisite and co-requisite requirements within the curriculum. While matriculating through the program students are required to maintain a cumulative GPA of 3.0 out of 4.0 and no course credit will be given when a student earns a grade of F.
