

Admission to the Program

Requirements for consideration for admission to the Wilmington College Master of Science (MS) Program in Occupational Therapy:

1. Evidence of a completed bachelor's degree before starting the program.
2. A cumulative 3.0 undergraduate GPA (on a 4.0 scale).
2. Completion of all prerequisite courses as follows:

A grade of "B" or better in the following courses:

- Human Anatomy w/ lab (4 credit hours)
- Human Physiology w/ lab (4 credit hours)
(Equivalent Alternative: 4 credit Anatomy/Physiology I course & 4 credit Anatomy/Physiology II course, both with labs)
- Statistics Course (3 credit hours)

A grade of "C" or better in the following courses:

- Developmental Psychology (lifespan) (3 credit hours)
- Abnormal Psychology (3 credit hours)
- Behavioral Science Elective (3 credit hours)
- Medical Terminology (1–2 credit hours)

4. A current personal resume.
5. Evidence of a minimum of 10 hours of job shadowing with an OT professional in a minimum of 2 different practice settings.
6. Two written references from professional individuals who can address work/school habits, ability to work well with others, and commitment to goals.
7. A signed Essential Functions Form (Minimum Technical Standards).

Individuals who submit completed applications, and who are considered potential candidates, may then be invited to an interview with faculty to determine final cohort selection. Being interviewed does not guarantee admission to the program.

Please note that each completed admissions application is only good for the year in which it is submitted. Individuals who do not receive admissions to the program, and who wish to re-apply does not guarantee admission to the program.

***No GRE is required for admission.

***No transfer credits will be accepted for the Occupational Therapy Program at Wilmington College.
